THE GOLF COURSE AT SEASONS

ENJOY THE DRIVE

A game of golf is right at your doorstep. Seasons Golf, Leisure and Spa has full access to the adjoining golf course and you can tee off as often as you'd like. It's the closest bushveld golf course to Johannesburg, which means that golfers can enjoy an 18-hole 72-par golf course in the company of a wide variety of birdlife as well as the resident antelope.

EXPERIENCE THE COURSE

The golf course was recently re-designed with the environment in mind. With the inclusion of wilderness zones on the course and areas of indigenous vegetation between the fairways and stands, the golf course doesn't compromise the surrounding natural habitat.

EVOLVE WITH NATURE

There are already plans to increase the golf course's environmental standing. In the future, more dams and water features will be added to attract and protect animals, birds, fish and insects particular to the Magalies / Hartbeespoort region.

Small game will increase the natural beauty of the course and, as a result, will provide visitors with an even rarer golfing experience.

The course is open Tuesday - Sunday and all visitors are welcome. The pro shop stocks clothing and accessories and can be contacted on 082 804 2780.
